Our selected Golf Courses for 2020

Everglades Country Club: Our Course is well manicured, tree-lined and tightly bunkered with strategically positioned water hazards providing an intermediary test of golf. The par 67 for men and par 70 for women layout is pleasant to walk and is hardly ever beaten. Our Course is regarded as one of the best-wet weather layouts in the state which boasts sand-based fairways and well-drained greens. There is rarely a day that our course is affected by inclement conditions.

Toukley Golf Club: The 6156-metre, 18-hole championship course is unique in that it is comprised of two distinct layouts. The front nine holes being flanked on both sides of the fairways by trees, while the back nine is open to the wind, almost links-style.

Gosford Golf Club: Our parkland style golf course will challenge even the most avid golfer. Our luscious, well-manicured Kikuyu fairways are a beautiful platform as you approach the Central Coasts' fine greens. Many of our greens are protected by either strategically placed bunkering, water features or natural mounding and contours.

Accommodation facilities

The Central Coast is a major holiday destination for Australian and international visitors.

Beaches, water ways and lakes, national parks and other recreational areas, together with urban centres full of local charm and character, offer abundant activities and experiences on the NSW Central Coast.

With its close proximity to Sydney and Newcastle, there are perfect options for day-trippers, long weekends or longer visitor stays.

Accommodation venues are many and varied and the following websites will give you many choices and range from 5 star resorts and B&B's to tent sites on the many tourist parks from Ettalong to Manning Park on Lake Macquarie.
